

BUSINESS: VA

GIL M F ALMEIDA

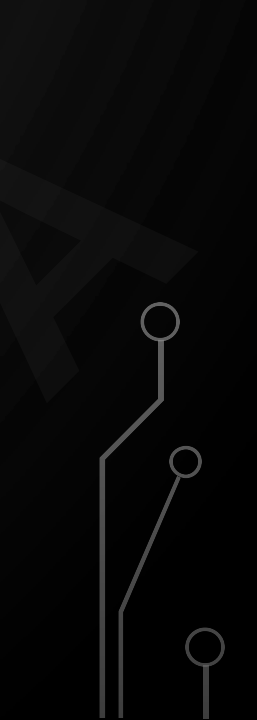

AIM

- To help low start ups in financial and management problems
- Furthermore, can help in the marketing section, including advertising, copywriting and researching
- Gain a small percentage of the company (15-20% minimum)
- Not give “debt” to start up by going to bank
- Work as a spiderweb

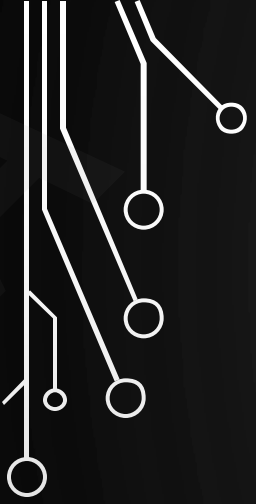

Mission Statement:

Help the growth of start-up business for people in achieving their dreams

OBJECTIVES

- Gain finance
- Find starting companies to offer such services

SECTION

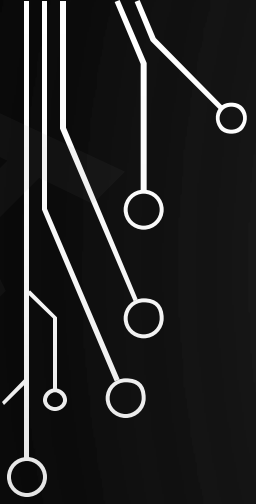

- Financial (Loan money only to affiliated companies)
 - Marketing
 - Management
 - Copywriting
 - Lawyer
 - Training
- 

DETAILS

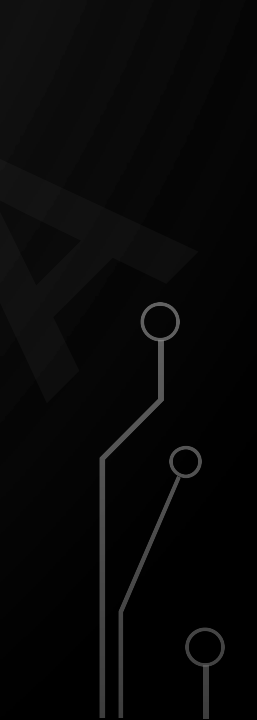

- Have workers doing research for other companies before presenting the idea of “helping” them
- Research in the market, competition and target business
- Have enough finance to give a jump in production for a basis
- Once deal is made, some of my workers go work directly to the company (loan workers) to help manage, teach and improve the area of the target company
- The more support we give in areas, the more it will cost
- Set company can fire us but it will lose the help and workers that we lend, as well as the shares that VA owns of set company
- Contact system between companies

FINANCE

- Minimum £1000 to start it per start up company (depends on the company)
- (Optimal £10000 to be expected)
- Price – certain amount of the company share (gain some of revenue %)
- Some payback if decided to cut ties with us (debt)
- If company not affiliated with VA wants help, need to £X for certain areas

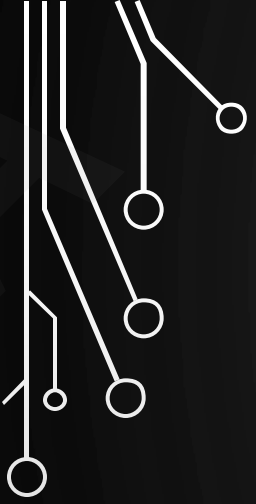

RESEARCH

- Need to find what are the new start ups and how the market is moving before trying to give support
 - Legal work
 - Basic of how the business operates
 - (More info comes from the start up)
- 
- 
- 

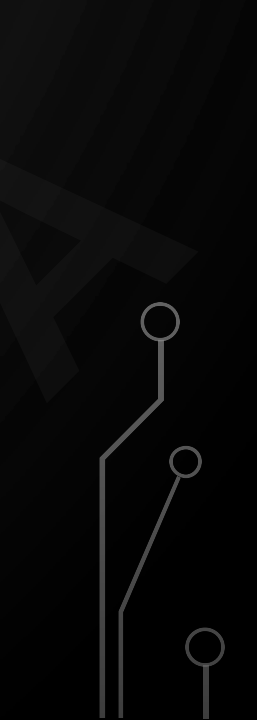

EMPLOYEE WORKING AND GAINS

- Working 0 hour contract Mainly (Manager)
- Normal working hours for Employees
- Fixed pay for Employees
- May get extra finance if working to help inside the main business (Any area)
- Offered extra courses and free training in their areas to improve in skills
- Rest area, Gym Membership, Daily meal. (This is a maybe, random idea)
- Gains small percentage of VA and stocks are cheaper
- Get discounts on service
- (If linked Businesses allow it) Maybe some extra from links

NEEDS

- The idea is to run the business like a family, such that the relationship between the employees is good, giving a better customer service and allowing for delegation of work much easily. It would also help in production as help can be asked in any part of the company.
 - The employees are to give their best on the job. With as much motivation as possible, giving their all in their primary work. Idea is to not have an employee but a specialist in the job. (a designer, not a worker)
- 
- 

MARKET

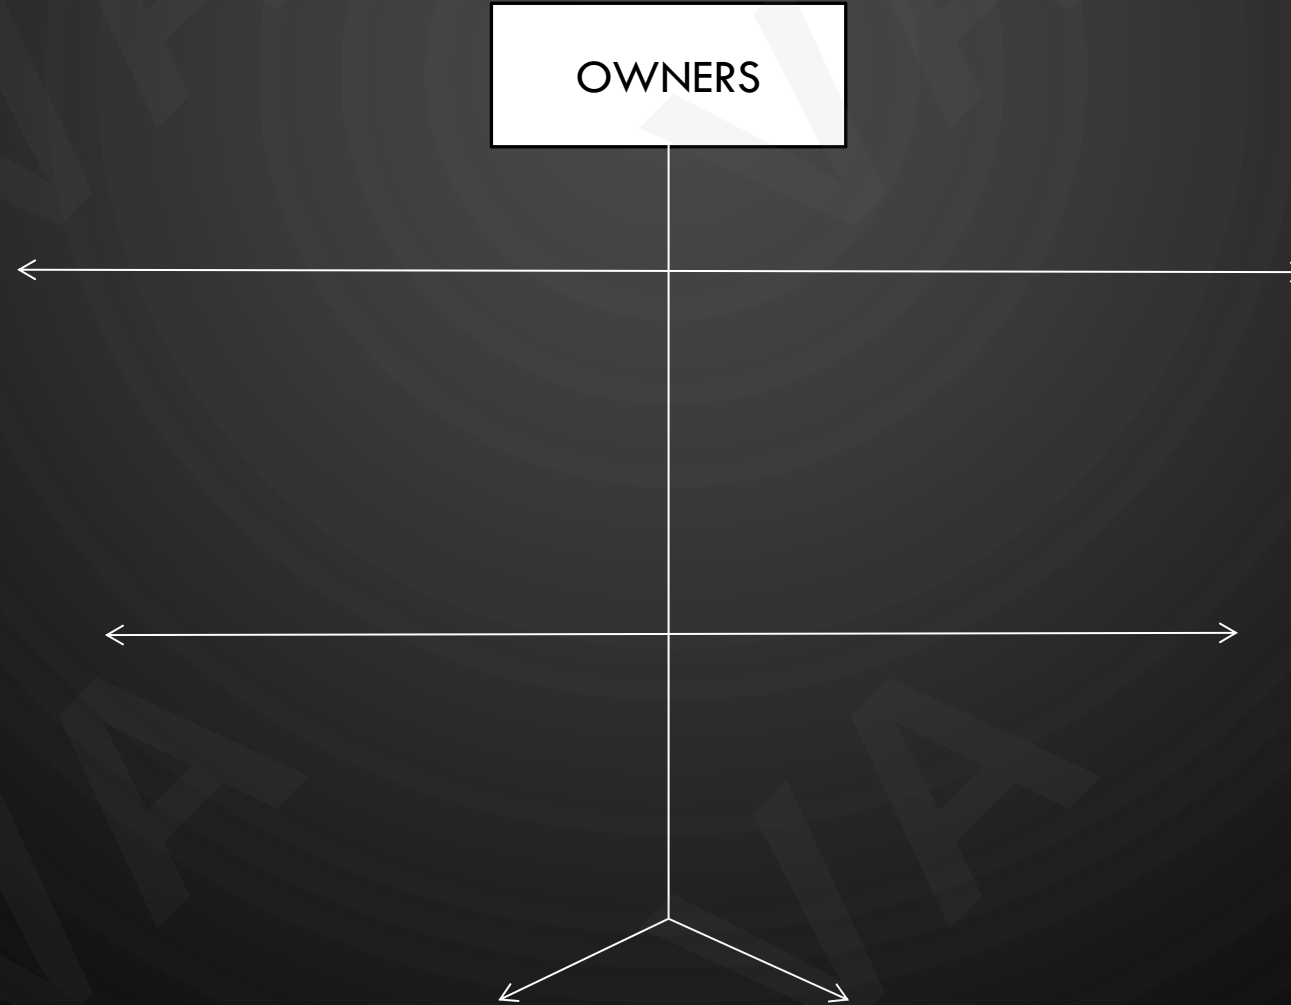

- Depends on the business its worked with.
- B2B - we find different types of businesses to help them grow, as well as help startups

The background is a dark gray gradient. In the center, there are several concentric circles of varying shades of gray, creating a ripple effect. The word "VIA" is repeated in a large, light gray, sans-serif font, rotated 45 degrees, and positioned behind the circles. In the four corners, there are white line art elements resembling circuit boards or neural networks, with lines connecting to small circles.

COMPETITION

HIERARCHY

The background is a dark gray to black gradient. It features a series of faint, concentric circles centered behind the text. In the four corners, there are white line-art elements resembling circuit boards or neural network connections, with small circles at the end of the lines.

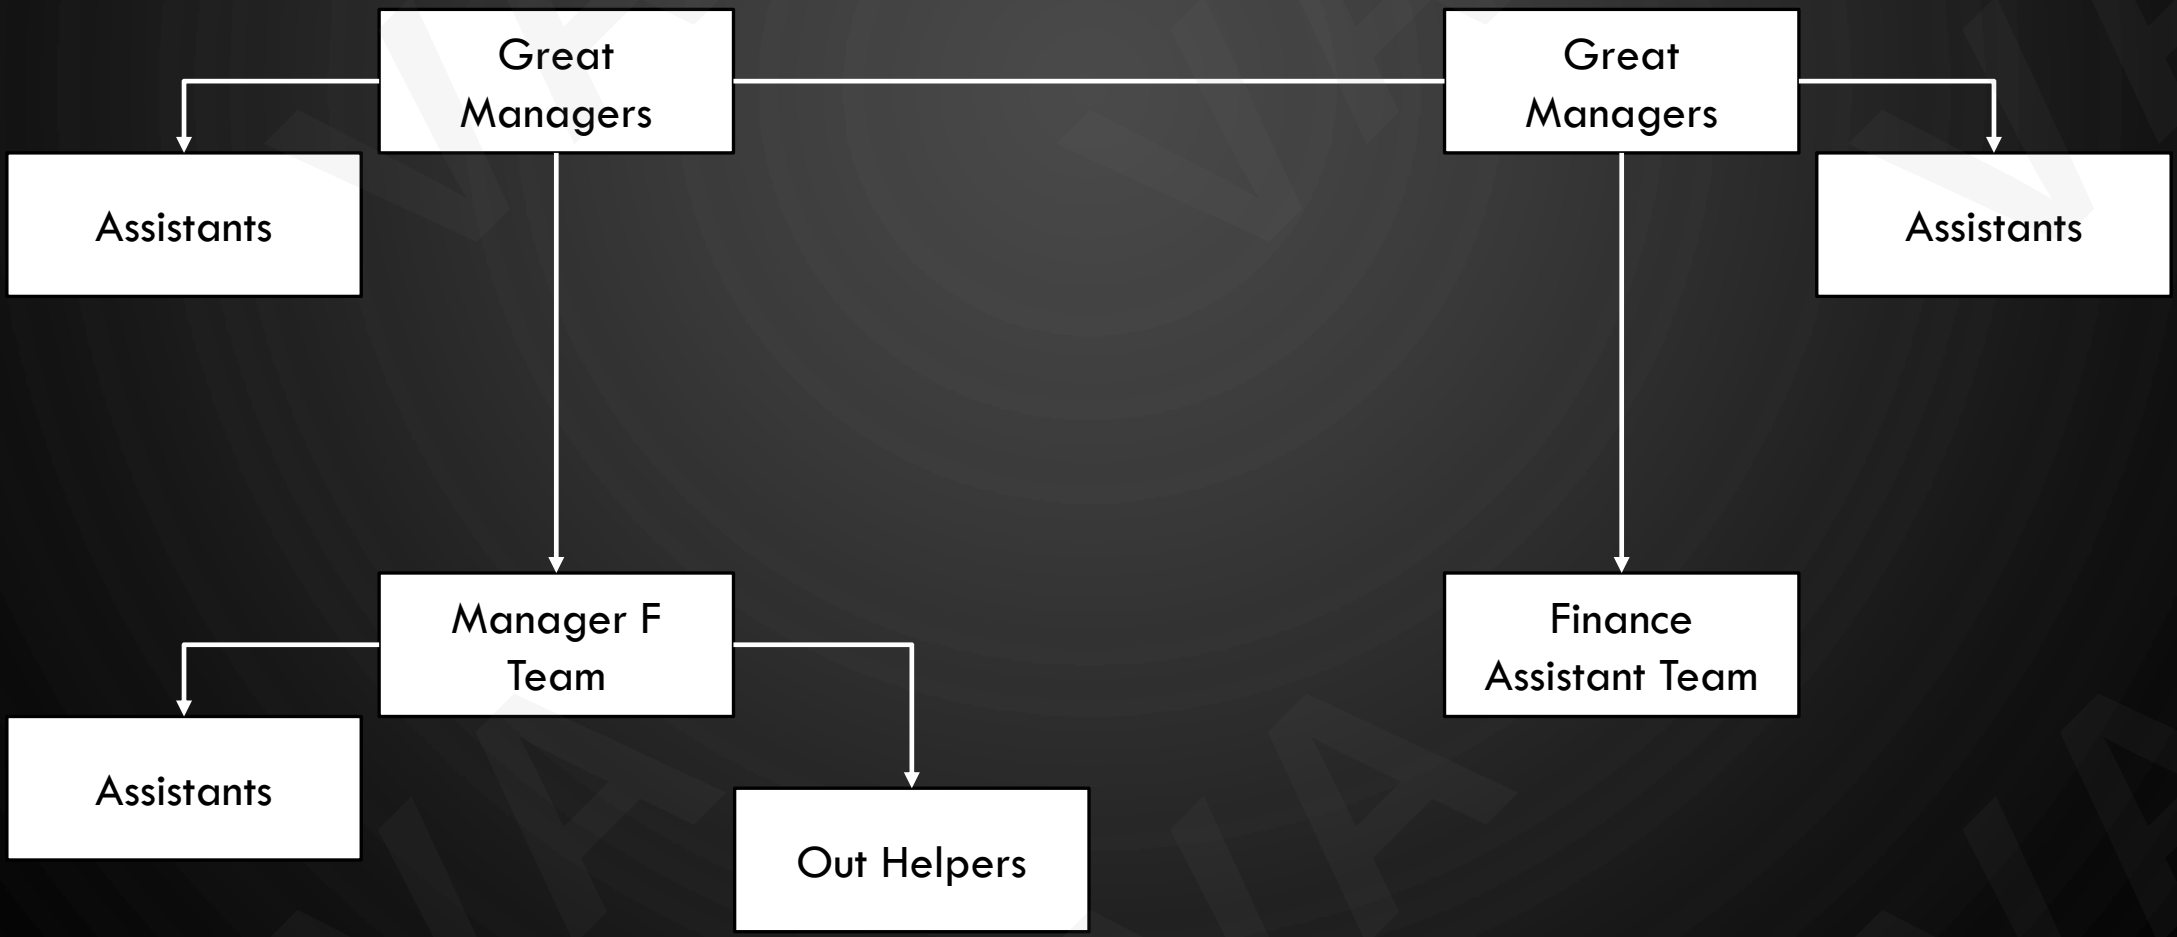

MARKETING

BUSINESS TO CONTACT

The background is a dark gray gradient. In the center, there are several concentric circles of varying shades of gray, creating a ripple effect.
