Book store

- **Aim:** Establish and operate a unique book store specializing in selling self-made books on a wide range of topics. The company will prioritize writing its books to offer a distinctive selection to customers.
- **Type:** Independent Bookstore and Publishing Company
- **Market:** The target market consists of avid readers, students, scholars, and anyone seeking niche or specialized knowledge. It will also target individuals who appreciate the creative and unique content offered by self-made books.

- **Competition:**

- **The British Library:** Located in London, is one of the world's largest and most renowned research libraries. It's home to millions of books, manuscripts, and historical documents. The library has been focusing on digitization and expanding its online resources to serve a global audience effectively. It remains a key hub for academic and historical research.
- **Waterstones:** A chain of bookstores with locations across the UK, including England. It is known for its wide selection of books, including bestsellers, academic texts, and rare finds. In recent years, Waterstones has adapted to online retail and digital book sales while maintaining a presence in high streets. It has been navigating the challenges posed by online competitors and digital reading trends.
- **Foyles:** independent bookseller with a flagship store in London. It's known for its vast and eclectic collection of books. Foyles has embraced digital technology and e-commerce while also focusing on providing a unique in-store experience. Their approach has been to curate and celebrate the joy of physical books.
- **Amazon UK:** offers an extensive range of books in both physical and digital formats. It has been a dominant force in online book retail, offering convenience and a wide selection to customers.
- **Book Depository:** online bookseller with a vast inventory and a focus on international shipping. It's known for its competitive pricing and free worldwide delivery. The company has been popular for readers seeking hard-to-find or niche titles.

- **Products:**

- **Product Range:** Self-published books across various topics, reflecting the company's expertise and creativity.
- **Pricing Strategy:** Pricing will be book-dependent, ranging from £10 to £25, with an emphasis on delivering value for the unique content.

- **Place:**

- **Online Platform:** Utilize e-commerce platforms like own website and third-party sites like Amazon to reach a global audience.
- **Physical Store:** Establish a physical store in a location that is not in direct competition with local libraries but still accessible to your target audience. Emphasize the in-store experience and personalized service.

- **Finance:**

- **Startup Costs:**

- **Expected Outcome:**

- **Social Impact:** Highlight any social or community-oriented goals or contributions, such as supporting local authors or promoting literacy.

Housing

- **Aim:**
 - The aim of your initiative is to offer affordable and safe housing solutions to people in disadvantaged situations, particularly the homeless and those in low-income brackets. You can emphasize the social impact and humanitarian aspect of your goal.
- **Type:**
 - Charity and housing-work program
- **Market:**
 - Your target market includes low-income individuals and families who are struggling to find affordable housing in England. This segment may encompass homeless individuals, low-wage earners, or those facing economic challenges.
- **Products: (Price):**
 - Standard monthly rent: £500/month (this is competitive in the low-income housing segment).
 - Daily rental option: £30/day (for temporary stays or individuals without the means to commit to monthly rent).
- **Finance:**
 - Japan: Acquiring abandoned houses in Japan at free or cheaper prices
 - England: The cost of abandoned houses in England can range from £70,000 to £200,000, and the minimum cost of houses in London is £300,000.
- **Expected Outcome:**
 - Reducing homelessness and providing stability for low-income families.
 - Improving living conditions and access to affordable housing.
 - Enhancing the overall well-being of disadvantaged individuals.

Caffe

- **Aim:** To introduce the traditional and comforting Portuguese coffee culture to the local community by providing a cozy and welcoming morning coffee experience.
- **Type:** Partnership coffee shop
- **Market:** The current coffee market in the UK, including Epsom and London, is vibrant and diverse. The coffee culture has been on the rise, with an increasing demand for specialty coffee, artisanal pastries, and unique beverage options. Consumers are not just looking for a caffeine fix but also seeking a genuine and culturally immersive coffee experience.
- **Competition:**
 - **Costa** - convenient, on-the-go coffee options and attracts working professionals looking for a quick caffeine boost.
 - **Starbucks** - provides a more vibrant and study-friendly atmosphere, catering to a younger crowd.
 - **Coffee #1** - focuses on creating a relaxed ambiance suitable for various customer profiles.
 - **Weatherspoon** - serves as a meeting place with a focus on providing a pub-like atmosphere, often attracting an older demographic.
- **Products: (Price):**
 - **Coffee:**
 - **Mocha**
 - **Pingado**
 - **Cappuccino**
 - **Café con leche**
 - **Food:**
 - **Pastel de Nata:** A traditional Portuguese custard tart.
 - **Croissant**
 - **Toast (Portugal style):** This might include items like "tosta mista" with ham and cheese or other Portuguese toast variations.
 - **Soft Drinks:** Include a selection of non-coffee beverages, such as tea, juices, and water.
- **Place:**
 - **Epsom**
 - **London**
- **Finance:**
 - **Cost of Materials:** The cost of coffee beans, pastries, and other ingredients can vary.
 - **Cost of Equipment:** This includes espresso machines, grinders, ovens, refrigerators, and other kitchen equipment. The cost can range from £10,000 to £30,000 or more
 - **Cost of Building:** The cost of securing and outfitting the physical space will depend on location and size. Rent in Epsom or London can vary widely.
- **Expected Outcome:**
 - **Short-Term Goals:** Outline specific goals for the first year, including daily sales targets, customer counts, and positive customer reviews.
 - **Long-Term Goals:** Describe the vision for the coffee shop, such as expanding to multiple locations, introducing new menu items, or establishing a strong local brand presence.
 - **Community Engagement:** Emphasize your commitment to engaging with the local community and providing a space for cultural exchange and relaxation.
 - **Sustainability:** Consider incorporating eco-friendly practices, such as using biodegradable cups and utensils, to appeal to environmentally conscious customers.

Bar

- **Aim:** To establish an innovative and uniquely themed bar that offers a one-of-a-kind nightlife experience, combining craft cocktails, entertainment, and immersive themes to attract a diverse clientele.
- **Type:** Independently-owned themed bar with a focus on creativity and innovation.
- **Market:** The bar industry is dynamic, with a growing demand for unique and immersive experiences. Consumers seek more than just drinks; they crave interactive and memorable moments. The current market offers an opportunity to cater to this trend by providing innovative, themed, and immersive bar experiences that set your establishment apart from traditional bars.
- **Competition:** Identify your competition, including other bars and nightlife options in your area, and describe how your innovative approach differentiates you from them. Consider bars that offer unique themes, entertainment, or technology integration.
- **Innovation Strategy:**
 - **Thematic Experience:** The bar will feature rotating themes that change periodically to keep the experience fresh and exciting. These themes will include decor, cocktail menus, and entertainment, providing customers with a unique experience during each visit.
 - **Interactive Elements:** Incorporate interactive elements like themed games, augmented reality experiences, or customizable cocktails to engage patrons and encourage social interaction.
 - **Craft Cocktails:** Offer a menu of handcrafted cocktails designed around each theme, using innovative and unique ingredients. Collaborate with mixologists to create signature drinks.
 - **Entertainment:** Host live performances, themed parties, and interactive entertainment events to keep the atmosphere vibrant and engaging.
 - **Live Jazz and Burlesque Shows:** Feature live entertainment that complements the atmosphere.
 - **Themed Escape Rooms:** Collaborate with local escape room providers to create Steampunk-themed escape challenges.
 - **Steampunk Art Exhibitions:** Showcase local artists' Steampunk-inspired works.
 - **Technology Integration:** Utilize technology to enhance the customer experience, such as an app for pre-ordering drinks or a digital guide to the current theme's story and character backgrounds.
- **Products: (Price):**
 - **Craft Cocktails:** Prices will vary depending on ingredients and complexity, with an average range of £8 to £15 per cocktail.
 - **Themed Snacks:** Offer a selection of themed snacks, such as tapas or small plates, to complement the cocktails.
 - **Steampunk Sliders:** Miniature burgers with unique toppings, served in a Victorian-style tray.
 - **Victorian Tea Sandwiches:** Assorted tea sandwiches with modern fillings and classic presentation.
 - **Copper Pot Fries:** Crispy French fries served in mini copper pots with a selection of dipping sauces.
 - **Steampunk Sweets:** A dessert platter featuring miniature Victorian pastries and sweets.
 - **Non-Alcoholic Options:** Provide mocktails, non-alcoholic cocktails, and a variety of soft drinks for designated drivers and non-drinkers.
 - **Exclusive Memberships:** Consider offering exclusive memberships with added benefits like discounts, early access to events, and themed merchandise.
 - Drinks:
 - **Clockwork Orange:** A twist on the classic Negroni with orange and cinnamon infusions.
 - **Steam-Powered Espresso Martini:** A high-octane coffee cocktail with a touch of absinthe.
 - **Airship Aperol Spritz:** A refreshing Aperol Spritz served with a Victorian twist.
 - **Copper Cogs:** A unique gin-based cocktail with muddled berries and a touch of elderflower.
- **Place:**
 - **Location:** Choose a central, high-traffic location in a city or urban area, making it easily accessible to your target audience.
 - **Interior Design:** The design should combine the elegance of the Victorian age with the imaginative and mechanical elements of Steampunk.
 - **Décor:** Rich, dark wood, exposed gears, vintage leather furniture, and copper accents to create an industrial yet opulent atmosphere.
 - **Lighting:** Utilize Edison bulbs, candelabras, and brass fixtures to evoke the era's ambiance.
 - **Costumes:** Staff could wear Victorian-era attire with Steampunk accessories, adding to the immersive experience.
 - **Artifacts:** Display vintage scientific instruments, antique maps, and retro-futuristic gadgets to enhance the theme.
- **Finance:**
 - **Startup Costs:** Include expenses for leasehold improvements, permits, licenses, technology integration, and initial marketing efforts. Startup costs can range from £100,000 to £500,000, depending on the size and location.
 - **Operating Costs:** Cover costs related to staff salaries, inventory, utilities, and marketing. Plan for monthly operating expenses of £10,000 to £20,000.
- **Expected Outcome:**
 - **Customer Loyalty:** Build a loyal customer base by consistently delivering innovative and engaging experiences.
